අනගි නිවහන

With our busy lives, we yearn to return to our homes at the end of the day, where peace of mind and comfort await. Your home is your haven, and Asian Paints Causeway Anagi Niwahana (Best Home) is a quest to find the most beautiful homes in Sri Lanka.

All that consumers have to do to participate is to show us how they have decorated and transformed their home into a haven, using our Luxury range of Emulsions and Waterproofing products.

In a market dominated by brilliant white, Anagi Niwahana's are bold home owners who are not afraid to explore the use of different colours for interiors as well as exteriors.

Apart from being featured on the elite list of Anagi Niwahana's (Best Homes) for the year, the consumers also win exciting prizes.
