APPLICATION

Asian Paints SmartCare Damp Proof Play is a single component elastomeric coating with waterproofing properties for decorative terrace application on a horizontal surface.

ASIAN PAINTS SMARTCARE DAMP PROOF PLAY TOPCOAT APPLICATION

1. Asian Paints SmartCare Damp Proof Play is to be applied over freshly applied, clean and dry Smart Care Damp Proof surface.
2. Apply first coat of undiluted SmartCare Damp Proof Play of desired shade with TruCare 800 Roller with forced coverage of 2.79 to 3.25 sq.m/L (30 to 35 sq.ft/L)
3. Allow it to dry for 10-12 Hrs. Ensure proper drying of basecoat before application of second coat.
4. Create the pattern with the second coat using specified tools. Coverage of second coat will vary between 4.64 to 9.29 sq.m/L (50 to 100 sq.ft/L) basis pattern selected.
5. Overall system consumption should be between 2 to 2.5 sq.m/L (22 to 25 sq.ft/L) in 2 coats.

PRECAUTIONS AND RECOMMENDATIONS:

1. For the best performance of coating, ensure proper and periodic washing and cleaning of dust, mud, microbial growth etc. Fresh water with cloth/soft nylon brush can be used for cleaning.
2. Do not allow any water stagnation to happen on the applied surface.
3. Product is not recommended for vertical/parapet walls.
4. Tint using Asian Paints Machine colorants only.
5. Do not apply during rain or when ambient temperature is less than 10° C.

10 YEARS WARRANTY*

*Terms and Conditions Apply. For waterproofing warranty, apply SmartCare Damp Proof as base coat.
