

A modern interior scene with a warm orange wall. In the foreground, a dark green armchair with a light-colored patterned throw blanket sits on a light wood plank floor. To the right, a small round wooden table holds a potted plant and a stack of papers. A large green plant is visible on the left, and a simple cylindrical pendant light hangs from the ceiling.

EXCLUSIONS

The warranty will only cover manufacturing defects of the Tractor Emulsion range of coating systems & will not cover any defects arising out of factors out of control of the warrantor, including but not limited to:

1. Paint failure due to structural defects/cracks & damage of the film due to high abrasion of the surface with furniture, nails, or other sharp objects, abuse, or negligence by the customer.
2. De - bonding of the base (material used for levelling) from the surface & crack formation on the same.
3. The substrate being affected by high alkalinity, water seepage, constant/rising dampness in the substrate, frosting or efflorescence, constant submersion in water, or water condensation resulting from temperature gradients.
4. Paint applied on the surface being contaminated, following an improper painting system, or inadequate curing time for the paint film to dry.
5. Usage of improper shade recipes or incorrect bases for tinting colours (other than white shades).
6. Reduction of gloss, sheen, or ageing, which is part of the normal weathering process.
7. Improper surface preparation and/or application.
8. Any act or omission on the part of the Contractor or Customer causing Paint to be defective by any means.

9. Excludes warranty for washability, complete removal of stains, removal of burnish marks, variation in sheen of coating post cleaning, any abrasive actions, etc.

For cleaning of painted surface, use mild detergent solution (<2% concentration) and a soft cloth / sponge to remove dust, dirt and stains of non-penetrating nature.

Damage to the coating system caused by external factors including, but not limited to, deterioration of the systems caused by external factors including, but not limited to, normal wear and tear, vandalism, improper cleaning or improper use, point loads or mechanical causes, fire, explosion, vibration, structural defects and/or movement, lightning, thunderbolts, acts of God, natural calamities such as earthquakes, and all other unusual occurrences.

LIABILITY

1. The company's performance warranty liability will reduce over the warranty period according to the below mentioned scale:
